

2015 CHAMPIONSHIP SHOW RESULTS & CRITIQUE - JUDGE MR KEVAN ELLIS

Thanks to the Whippet Association of Victoria for your kind invitation and hospitality. I thoroughly enjoyed judging your Whippets and found my winners to be of excellent quality conveying breed type with function. I was looking for Dogs that fit the breed standard which I found in my major winners.

I was very pleased with my Puppy Class winners and I would have liked on the day to have nominated an overall Best Puppy In Show which is a custom in the UK.

I was extremely happy with my BIS and R/Up in show winners and in my opinion being true representatives of their breed. Unfortunately in my opinion many exhibits did not fit the breed standard having over exaggerated fronts, too bulky and oversized which then loses the true Whippet characteristic. To my disappointment a number of dogs were not presented in clean condition and the majority having dirty teeth.

Thankyou to the stewards Matthew and Adam, President John Thompson, the committee and Karen for her assistance with the critique. A special thankyou to Sandra Mashford your patron for her hospitality as I truly enjoyed my visit.
